## **BBC Ladies Fellowship 2024 Summer Programme**

*This week our Ladies Fellowship Committee released the Summer Programme for their Wednesday meetings through to July the 17<sup>th</sup>. The following pages show the complete schedule with the guest speakers and the key word for that week. Ruth Pettifer has once again written a foreword for us and below we have shared it for the fellowship.*

“What do you **treasure**? One of my favourite TV programmes is called 'Sort your life out!' and is about what happens to families and homes when they have TOO MUCH STUFF!! Now I have learnt the hard way that having too much stuff, can be very difficult especially when you move house, so consequently we had to do a lot of sorting out and discarding when we moved house five years ago. The words 'Reduce, reuse, recycle' came to be a reality in our lives! Sorting my mum's house has also been a revelation in what you need to keep! Some photos are a necessity, of course, to remind us of memorable events in the lives of families. Jewellery too, can be very precious especially when handed down through the generations, but more and more I have been reminded of the fact that when the Lord calls us home, everything will be left behind - we really won't need any 'stuff' in heaven! So, between now and then, what are we going to invest in? The Lord has given us money and goods to use wisely to keep us safe and (fairly) comfortable, but we need to be thinking ahead to what we can do to spread the Gospel of Jesus Christ to our family, friends and neighbours. So what can we do? You are amazingly generous to our speakers who come to share their mission with us and many have gone away with gratitude for the unexpected donation that they have received on a Wednesday afternoon. Nick Mudge (Gateway Church) spoke about using his time to 'prayer walk' the streets of Christchurch, Bournemouth and Poole, chatting and sharing prayer with people that he has met on his travels. And we are reminded in **Matthew 6:19-21** *Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also.*

So, this Summer, you might want to spend some time thinking about what you treasure most of all.”
