Baptisms of Jeremy Long and James Duff.

At our evening worship service on Sunday the 29th of October 2023 our fellowship rejoiced as witnessed the consecutive baptisms of Jeremy Long and James Duff. Our photograph shows Jeremy about to be baptized by pastor Tim Gamston and assistant pastor Steven Driver.

Having become committed Christians both these young men who are good friends joined us at Broadstone Baptist Church in 2023. After a while they expressed an interest in being baptized and started "Believers Baptism" meetings with Pastor Tim.

The service was very well attended and included close and wider family members of both candidates. As our photograph shows Jeremy was first to go down in the water watched on by James (on the left).

After their immersion, Pastor Tim gave them both selected tracts to Jeremy was given Corinthians xxx and James was given 2 Peter

As is our tradition both candidates were asked to select a favourite song of their choosing. Jeremy selected "For the cause of Christ we go" and James chose "He will hold me fast".
