RELEASE DATE: **November 2020**

## If it's November, it must be Missions Month!

The theme this year is 'None can stop the Lord Almighty'. God continues to work even if everything appears to have ground to a halt, and it will be good to find out how he is using our missionaries at this time.

Due to the increased use of technology, we are now able to feature all our supported missionaries this year, which is a first! However, it is possible that there may be some variation in the programme because of this.

After a year when we have been forced to stay at home much more than usual, it will be good to reminded of the needs of the wider world as we continue to pray **Your Kingdom come** over the coming weeks.

## Missions Month

Throughout November we will be welcoming a number of guest preachers and speakers to our regular Sunday morning worship services and Tuesday evening prayer meetings. Most of them have an association with us and are well known to us. However, we are also delighted that George Verwer the founder of Operation Mobilisation, has agreed to preach for us at our Sunday service on November 15th.
