FUN FILLED FRIDAY EVENINGS ARE BACK AT BROADSTONE BAPTIST CHURCH.

For many years, Friday evenings at Broadstone Baptist were set aside for youth club style events until the new church building project was set in motion and the COVID pandemic intervened.

Now the tradition is restored with the news that term time Fridays will become "KIDS@BBC" evening, when a lot of fun is guaranteed between 6 and 7 pm each week in the care of our experienced leaders.

All kids who are in the school reception year through to year 4 are all welcome. Each Friday the activities will be centred around the Bible teaching for that week with activities, singing, craft work and we will pray together.

KIDS@BBC starts this Friday the 12th of January. The fun is about to begin so don't miss out!
