New Youth Friday Initiative - “JAM” (Jesus And Me) Sessions

Following the successful establishment of the “BBC Kids” Friday club which runs between 6-7 pm for younger children we now propose to launch another regular event also on Friday’s for youth aged 9-13 (school years 5-8).

Running under the banner of “BBC JAM” (Jesus And Me) the youth will meet every Friday between 7.30-8.30 pm during term time in the downstairs hall.

This group will follow more of a bible study outline, it will be more advanced than the BBC Kids group but will, of course, also have fun elements. We want the youth to delve deeper into God’s word and apply it to their own lives. Instead of just hearing about all these bible stories that happened thousands of years ago, we want them to understand that they all still apply to them today and that Jesus is still relevant to us.

We will start off this new group by looking at two series. The first one is called the 'Wonderfully Made Series' which explores themes of human dignity, identity and purpose in Psalm 139. The second one is called 'Encounters with Jesus' which explores seven significant encounters with Jesus in Matthew's gospel.

Please support this new weekly youth initiative in prayer. Thank You.
