## Bournemouth Bible Week 2021

### Evening Events

5th-9th July | 8.00-9.15 pm

Psalm 23

**We are delighted that Colin Smith has agreed to be our keynote speaker in 2021.** Colin is the Senior Pastor of The Orchard Evangelical Free Church, a thriving, multi-campus church located in the northwest suburbs of Chicago, and president of Unlocking the Bible. Colin is a frequent visitor to Bournemouth, but due to the continuing lockdown, Colin's ministry will be recorded online. He will speak each evening from one of the best known and best loved chapters of the Bible, Psalm 23, to encourage us all in these very challenging days.

**Monday - He leads me / Tuesday - He restores me  
Wednesday - He guards me / Thursday - He feeds me / Friday - He loves me**

Now in its 29<sup>th</sup> year, The Bournemouth & Poole convention has been renamed this year as the Bournemouth Bible Week. Once again people from churches near and far will gather to meet during the first week in July to hear the Word of God faithfully preached and to be encouraged by opportunities for fellowship, though in a rather limited way. In the light of the ongoing transition, as the world emerges gradually from the COVID 19 pandemic of the past eighteen months we have chose to meet online in the evenings and face to face in the mornings.

**Evening sessions:** These are going to be live-streamed from the new Worship Hall at Broadstone Baptist Church and **you will be able to watch each evening on YouTube**

**Morning sessions:** These will take place at Christchurch Westbourne with Chris Sinkinson speaking live. **It will be necessary to book a place and you can do so by following the links above to book online.** They have a large seating capacity, even with social distancing! All relevant guidelines will be followed.

### Morning Events

7th-9th July | 10.30-11.45 am

On the Shoreline

**We are thrilled that Chris Sinkinson returns to speak on three mornings this year.** Chris was senior pastor at Alderholt Chapel in Dorset for over ten years. Currently Chris lectures in Old Testament Studies and Apologetics at Moorlands College, near Christchurch, Dorset. Chris regularly leads student tours to Israel and is regarded by some as a modern day "Evangelical Indiana Jones"! It is unsurprising therefore to discover that Chris has chosen to speak from the Galilean ministry of Jesus each morning. We look forward to hearing of his own experiences in the Holy Land.

**Wednesday - Facing the storm, Mark 4:35-41  
Thursday - Healing the hurt, Mark 5:21-43  
Friday - Satisfying the hunger, Mark 6:30-44**
